## ABOUT ME

Front-End developer with 8 months commercial experience. I create SPA using React, Redux, Typescript. I'm always looking to improve my knowledge. Right now I'm studying Node.js because my next goal is to become a Full-Stack developer. Also I'm interested in working with React Native framework, I have some experience in writing pet projects. I usually spend my free time in Codewars or studying English.

## EXPERIENCE

**Full-time :**

**ltransition Group (September 2022 - May2023)**

**Part-time:**

**Learn Card**

Stack: TypeScript, React, Redux, Redux-thunk, Router dom, Axios, Mui for some components, module CSS, Formik; Team developement; Bug fixing, deployin
